To pay via Check: You may also mail a check addressed to **Carolina Tiger Rescue** for \$250 with **“Camp” followed by the Camper’s First and Last Name written in the memo line** with the completed forms for your camper.

Safety and Supervision

We anticipate that you will have an enjoyable experience during “Kid For a Day” Adult Camp at Carolina Tiger Rescue. In order for this to happen, we must ensure that all participants and animals are kept in as safe of circumstances as possible. Campers will never under any circumstances be left unsupervised by trained Camp Staff and Volunteers, and we will do our best to maintain a Staff/Volunteer to Camper ratio of 1:8.

Safety of our Animals, Staff, Volunteers, and Camp Participants is of absolute importance and necessity. For this reason, we will expect and ensure that all Camp Staff, Volunteers, and Participants fully abide by our rules and facility safety standards at all times, which include, but are not limited to: absolutely no contact with sanctuary animals; no harassment, disturbance, or mistreatment of any of our sanctuary animals; no entrance into enclosures where an animal is present; and maintenance of a safe distance of 3 feet from all enclosures in which an animal is present. Camp participants must also come prepared for a team environment, in which there will be no tolerance for bullying, teasing, harassment, or otherwise emotionally or physically harmful behavior to other Campers, Staff, or Volunteers. Additional rules for behavior and standards of safety will be discussed with campers upon their arrival to their first day of Camp.

We will do our best to fully inform Campers of rules and expectations, and intervene as needed to create a safe and positive experience for campers. In certain circumstances due to the nature of our facility and camp experience, should blatant refusal to comply with rules occur, we may ask Campers to be removed from Camp early or permanently upon the discernment of the Education Director. This is especially true in situations involving endangerment of an animal, another Camp Participant, Volunteer, or Staff Member. Reimbursement for camp will not occur due to a Camper’s refusal to comply with rules resulting in dismissal from camp.
