

Clever Cat Creations!

Let's make your very own cat mask! Ask an adult to print out this page on heavy paper and cut out your cat mask for you.

Time to decorate! You can color your mask, add stickers, glue shapes, or anything else you think makes for a fantastic cat mask. Your mask will be unique, just like the tigers have unique stripes. Use a hole punch for the circles on the side and then attach yarn or other string.

Want your mask to last even longer? Trace your mask on the back of a cereal box and glue to two pieces together!
