

# My What Teeth They Have!

Cats are carnivores, not only do they eat meat, but they have specialized teeth to help them hunt and eat! After watching our live broadcasting on feeding, label the teeth on the tiger skull below and describe what each set of teeth is necessary for.

# My What Teeth You Have!

Can you imagine having teeth like a tiger? What would you look like?  
Draw a picture of yourself with teeth like a tiger!

A large, empty rectangular box with a dark blue border, intended for a child to draw a picture of themselves with tiger-like teeth.
