# Carolina Tiger Rescue High School Summer Camp Information Sheet

## Camp Hours

Camp hours are 9:00-4:00 each day. If you need to drop your camper off before 9, Optional Before Care is available for \$15 for the 3 day camp and beginning at 8:00 am each day. Optional Aftercare is available for \$15 for the 3 day camp and ends at 5:00 pm.

If an emergency occurs preventing you from being able to pick up your child at the appropriate time, please call the mainline at 919.542.4684.

## Cancellation

If there are less than five (5) campers enrolled in a camp session 2 weeks prior, it may be subject to cancellation. If camp is canceled by Carolina Tiger Rescue, you will be given full reimbursement for camp fees.

Carolina Tiger Rescue can only issue refunds for camp if a cancellation is received at least four (4) weeks prior to your camp session. A processing fee of \$30 will be required for a cancellation. If a family emergency or illness occurs, please contact Madison Fales, Education Director at 919.542.4684 ext. 3021 as soon as possible, and we will do our best to issue a refund.

## Cell Phone Policy

Please help your camper(s) to understand that cell phone use will be limited during Camp, and should only be used to take pictures. It is strongly preferred you provide a camera for your camper to take pictures rather than a cell phone if possible. Please do not call your camper during camp hours. If there is an emergency and/or you need to pick up your camper early for an unpredicted reason, you may call the office mainline at 919.542.4684, and your camper will be promptly reached.

## Payment for Camp

The tuition cost for Carolina Tiger Rescue Summer Camp is \$200 plus tax and fees for the 3 day camp. Please pay through the link provided on the website. If you need an alternative way to pay, please contact Madison Fales at [MadisonFales@CarolinaTigerRescue.org](mailto:MadisonFales@CarolinaTigerRescue.org) or 919-542-4684 ext. 3021

## Definition of Legal Guardian

All forms and documents must be signed by the Parent or Legal Guardian of the Camper(s). A Legal Guardian is defined only as the court appointed Legal Guardian of the Camper. A non-court appointed guardian or relative (i.e. Grandparent, Aunt, Uncle, etc) may not sign documents or forms.

## **Safety and Supervision**

We anticipate that your camper will have an enjoyable experience during Summer Camp at Carolina Tiger Rescue. In order for this to happen, we must ensure that all participants and animals are kept in as safe of circumstances as possible. Campers will never under any circumstances be left unsupervised by trained Camp Staff and Volunteers, and we will do our best to maintain a Staff/Volunteer to Camper ratio of 1:8.

Safety of our Animals, Staff, Volunteers, and Camp Participants is of absolute importance and necessity. For this reason, we will expect and ensure that all Camp Staff, Volunteers, and Participants fully abide by our rules and facility safety standards at all times, which include, but are not limited to: absolutely no contact with sanctuary animals; no harassment, disturbance, or mistreatment of any of our sanctuary animals; no entrance into enclosures where an animal is present; and maintenance of a safe distance of 3 feet from all enclosures in which an animal is present. Camp participants have a chance of coming in contact with a chance of my child coming into contact with the following hazards including (but not limited to): ticks, chiggers, poison ivy/oak, fire ants, and bees. In the event of fire ant bites, it may be necessary for your child to disrobe to brush off any fire ants that have gone under the clothing. In the event that this happens, you will be informed and an incident report will be completed.

Camp participants must also come prepared for a team environment, in which there will be no tolerance for bullying, teasing, harassment, or otherwise emotionally or physically harmful behavior to other Campers, Staff, or Volunteers. Additional rules for behavior and standards of safety will be discussed with campers upon their arrival to their first day of Camp.

We will do our best to fully inform Campers of rules and expectations, and intervene as needed to create a safe and positive experience for campers. In certain circumstances due to the nature of our facility and camp experience, should blatant refusal to comply with rules occur, we may ask Campers to be removed from Camp early or permanently upon the discernment of the Education Director. This is especially true in situations involving endangerment of an animal, another Camp Participant, Volunteer, or Staff Member. Reimbursement for camp will not occur due to a Camper's refusal to comply with rules resulting in dismissal from camp.

## **What to Bring (and not bring) to Camp**

You camper needs to come prepared for spending the entire camp session outside, rain or shine.

Please have your camper bring the following items with them each day to camp, each labeled with their name

**A Bag Lunch** (Lunches will stay unrefrigerated, so please pack perishables appropriately)

**Refillable water bottle**

**A container of Sunscreen /Sunblock**

**A container of Bug Spray/Insect Repellant**

**Long pants** (pack a change of long pants as they are necessary for certain camp activities)

**Rain Coat**, preferably rain pants as well

**Closed Toed Shoes** ( i.e. hiking boots or shoes, tennis shoes, running shoes, sneakers, etc)

**Appropriate Clothing for the Outdoors** (clothing is cool and comfortable, limits sun exposure, and is appropriate for jumping, reaching, walking, squatting, bending, climbing, etc., without becoming revealing. )

**A spare Change of Clothes** (in the event of rain, a messy activity, or getting sprayed by a Tiger!)

Optional/Other considerations

Hair ties for long hair

Camera

Hat

Sunglasses

Small backpack to carry belongings when in the sanctuary

We want all Campers and resident animals to have the best experience possible during Day Camp. Therefore, we ask that you will help your Camper be aware of and follow these rules on what not to bring to camp.

Please do not have your camper attend camp with any of the following:

- ~**Hand held video games, iPods, iPads, tablets, or other electronic devices.** If there is something a camper would like to share with the group via an electronic device, contact Madison Fales. We want to encourage as much group interaction and as much engagement in wildlife and nature as possible, so we would like to limit distractions. Unless specially permitted, please leave all electronic devices at home.
- ~**Flip flops, or other open toed shoes.** Please only have campers wear closed toed shoes that are comfortable, supportive, and sufficient for walking, jumping, etc, such as hiking shoes or boots, sneakers, jogging shoes, etc.
- ~**Tight, short, see-through, or otherwise immodest clothing. No skirts, strapless shirts, exposed undergarments, short shorts, or low necklines.** Clothing should be comfortable, cool, limit sun exposure, and appropriate for outdoor activities without becoming revealing or inappropriate.
- ~**Expensive Clothing or Accessories.**
- ~**Weapons or anything that looks like a weapon**
- ~**Water guns or water balloons**
- ~**Knives of any kind** including pocket knives, folding knives, hunting sheaths, or blades of any size. Knives are unnecessary for our activities at camp, and are more likely to pose a hazard in our day camp setting than to be of benefit.
