Definition of Legal Guardian

All forms and documents must be signed by the Parent or Legal Guardian of the Students(s). A Legal Guardian is defined only as the court appointed Legal Guardian of the Camper. A non-court appointed guardian or relative (i.e. Grandparent, Aunt, Uncle, etc) may not sign documents or forms.

Safety and Supervision

We anticipate that your student will have an enjoyable experience during classes at Carolina Tiger Rescue. In order for this to happen, we must ensure that all participants and animals are kept in as safe of circumstances as possible. Students will never under any circumstances be left unsupervised by trained Staff and Volunteers, and we will do our best to maintain a Staff/Volunteer to Student ratio of 1:8.

Safety of our Animals, Staff, Volunteers, and Student Participants is of absolute importance and necessity. For this reason, we will expect and ensure that all Staff, Volunteers, and Participants fully abide by our rules and facility safety standards at all times, which include, but are not limited to: absolutely no contact with sanctuary animals; no harassment, disturbance, or mistreatment of any of our sanctuary animals; no entrance into enclosures where an animal is present; and maintenance of a safe distance of 3 feet from all enclosures in which an animal is present. Student participants must also come prepared for a team environment, in which there will be no tolerance for bullying, teasing, harassment, or otherwise emotionally or physically harmful behavior to other Students, Staff, or Volunteers. Additional rules for behavior and standards of safety will be discussed with campers upon their arrival to their first day of class.

We will do our best to fully inform Students of rules and expectations, and intervene as needed to create a safe and positive experience for campers. In certain circumstances due to the nature of our facility and camp experience, should blatant refusal to comply with rules occur, we may ask Students to be removed from Student early or permanently upon the discernment of the Education Director. This is especially true in situations involving endangerment of an animal, another Student Participant, Volunteer, or Staff Member. Reimbursement for camp will not occur due to a Student's refusal to comply with rules resulting in dismissal from camp.

What to Bring (and not bring) to Class

Your student needs to come prepared for spending the entire session outside, rain or shine.

Please have your camper bring the following items with them each day to camp, each labeled with their name

A container of **Sunscreen /Sunblock**

A container of **Bug Spray/Insect Repellent**

Rain Coat, preferably rain pants as well

Closed Toed Shoes (i.e. hiking boots or shoes, tennis shoes, running shoes, sneakers, etc)

Please do not have your student attend camp with any of the following:

Hand held video games, iPods, iPads, tablets, or other electronic devices. If there is something a student would like to share with the group via an electronic device, contact Katie Cannon. We want to encourage as much group interaction and as much engagement in wildlife and nature as possible, so we would like to limit distractions. Unless specially permitted, please leave all electronic devices at home.

Flip flops, or other open toed shoes. Please only have students wear closed toed shoes that are comfortable, supportive, and sufficient for walking, jumping, etc, such as hiking shoes or boots, sneakers, jogging shoes, etc.

Tight, short, see-through, or otherwise immodest clothing. No skirts, strapless shirts, exposed undergarments, short shorts, or low necklines. Clothing should be comfortable, cool, limit sun exposure, and appropriate for outdoor activities without becoming revealing or inappropriate.
