Supplies:
- Cookie sheet
- Paper
- Shaving cream
- Food coloring
- Spoon
- Scissors
- Pencil
- Glue
- Crayons or markers

1. Spread a thin layer of shaving cream on your cookie sheet.
2. Drip orange food coloring onto your shaving cream.
3. Using a spoon, swirl the orange into your shaving cream.
4. Drip black food coloring onto your shaving cream.
5. Using a spoon, swirl the black into your shaving cream. Remember not to overmix but have fun dragging the black stripes through the orange and creating your own unique pattern.
6. Take a sheet of paper and lay it down on top of your shaving cream. Gently press it into the cream.
7. Peel your paper from the shaving cream. Set it aside and let the color can soak into the paper for a few minutes.
8. Using your spoon or a butter knife, scrape the remaining shaving cream off the paper.
9. Let your paper dry completely.
10. Turn the paper over and use your pencil to trace a tiger on the white side.
11. Cut out your tiger.
12. Glue your beautifully unique tiger onto a new sheet of paper and draw its natural habitat around it.

Helpful Tip
If you don’t have orange or black food coloring, you can make your own! Mix yellow and red to make orange. Mix red, blue, and green to make black.

There are all sorts of ways to be creative! Below you will find a craft that uses shaving cream to “paint” a tiger. Use your imagination and create a background picture for your tiger.
