

CAROLINA TIGER
RESCUE

1940 Hanks Chapel Rd. | Pittsboro, NC 27513 | 919.542.4684 | CarolinaTigerRescue.org

YOUR choices can help save and protect wild cats:

TELL your family, friends, and neighbors about your visit to Carolina Tiger Rescue! Encourage them to take a tour and learn about our amazing animals and their rescue stories.

PLEASE DON'T SUPPORT:

- Photo shoots with wild cat cubs, petting and feeding cubs, roadside zoos, and circuses
- Movies (buying, renting, or attending) that include the use of live wild cats (versus the use of CGI generated versions)
- Facilities that buy, sell, or breed wild cats or use them commercially to make money

All of these perpetuate the wild cat pets and parts trade and needless cruelty and deaths.

SAY NO to palm oil. Palm oil production is a leading cause of habitat destruction and the loss of tigers and other wild species. To learn more, visit SayNoToPalmOil.com. Go a step further and contact companies to encourage them to stop using palm oil.

VISIT websites such as BigCatRescue.org, TigersInAmerica.org, HumaneSociety.org or WWF.org to learn more about what is happening to wild cats throughout the world.

Thank you for supporting Carolina Tiger Rescue!
